---

## Objective:

I am eager to learn full stack development to broaden my skill set and enhance my ability to create end-to-end solutions. I am excited on this learning journey to become a versatile developer capable of tackling diverse challenges.

---

## Technical Skills:

- Java(Basic)
  - HTML, CSS(Intermediate)
  - JavaScript(Basic)
  - MSSQL(Basic)
  - SDLC(Basic)
  - Adobe Analytics(Intermediate)
- 

## PROJECTS:

### Indian Students Club(Master Major Project):

Indian Students Club acts as an Information Hub, a comprehensive platform designed to enhance student engagement and community interaction within the University ecosystem, providing students with access to relevant updates and announcements. It enables students to participate and register in the events, festivals, seminars, cultural celebrations etc.

**Tools/Technologies:** Java, HTML, CSS, JavaScript, SQL, VS Code, Git
